

Bioplastics –

MAKING THE DIFFERENCE

28/29 November 2017, MARITIM proArte Hotel Berlin

Join us at the 12th annual European Bioplastics Conference – the leading international business forum for the bioplastics industry in Europe.

Bioplastics – making the difference

Today, there is a bioplastic alternative to almost every conventional plastic material and corresponding application. While offering the same qualities and functionalities as their conventional counterparts, bioplastics strive to be even better by providing innovative solutions with improved properties and performances as well as the unique ability to reduce emissions and our dependency on fossil resources. The 12th edition of the annual European Bioplastics Conference will showcase just how biopolymers are 'Making the Difference' in driving innovations forward for more sustainability, resource efficiency, and functionality.

REGISTER NOW

With hundreds of senior peers in attendance, joining the European Bioplastics Conference is a great way to extend your professional network.

To join as a delegate or exhibitor, go to www.european-bioplastics.org/conference and click "Registration".

CALL FOR PAPERS

European Bioplastics and the conference advisory board will select the successful entries for this year's programme. To submit an abstract, please send an email to conference@european-bioplastics.org, request a proposal form, fill it in, and return it to us.

The deadline for submissions is 30th June 2017.

WHAT TO EXPECT

The conference's well-researched programme attracts more than 300 senior bioplastics decision makers from across the bioplastics value chain, policy bodies, NGOs, and brand owners.

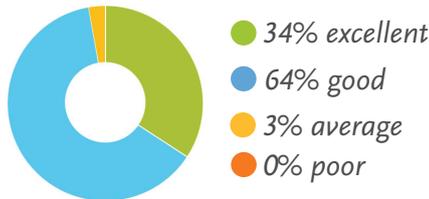

An impressive speaker line-up demonstrates how far biopolymers have come and highlights some of the latest and most innovative developments in new bio-based materials, applications, processing and end-of-life options. It will also take a closer look at recent amendments in the policy frameworks for the European bio-economy and circular economy and their implications on the bioplastics industry in Europe.

Showcasing the latest products and services, the comprehensive product exhibition brings together decision makers of all sectors of the bioplastics value chain.

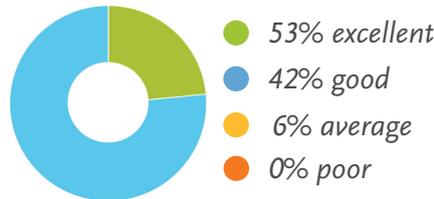

WHY ATTEND?

The event is hugely popular, receiving excellent feedback from its attendees. As the leading international conference dedicated to bioplastics, this is the best place to position your bioplastics business, get up to speed on the latest global biopolymer market developments, and network with hundreds of like-minded peers. Here is a snapshot of what the attendees thought of the latest European Bioplastics Conference in 2016:

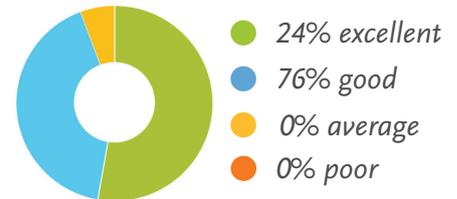

Overall satisfaction with the conference programme

Overall rating of the exhibition

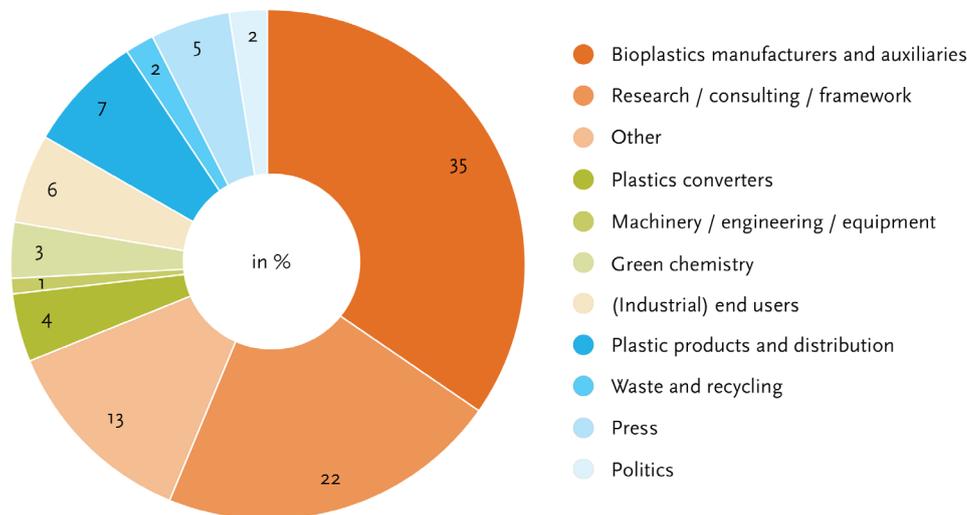

Overall satisfaction with the networking opportunities

WHO WILL BE ATTENDING THE EVENT

Each year, over 300 experts from around the globe come together and impressively demonstrate the conference's tremendous effectiveness in information exchange and networking. When it comes to expanding your network in the bioplastics industry, this is the one event you shouldn't miss this year!

BIOPLASTICS CONFERENCE PRODUCT EXHIBITION

WHY BECOME AN EXHIBITOR?

The exhibition is the ideal platform for your company to demonstrate your products and services, increase brand awareness, build new business relationships and gain instant market feedback.

Like-minded delegates at the conference include visitors from the entire bioplastics value chain covering manufacturers, plastic converters, green chemistry, products, (industrial) end users, brand owners, research & consulting, as well as machinery & engineering.

HOW WE PROMOTE YOU

- + Great visibility throughout the event thanks to your branded exhibition space.
- + With plenty of networking sessions during the two-day event you can expect to have numerous one-on-one conversations with your peers.
- + We'll feature your company logo on the website, on conference materials handed out to all attendees, in mailings, and on some of our own branding.
- + Your company profile will be up on the event website and linked up with your company's online presence.

Exhibition options

Regular fee

EUBP member

Premium exhibition package

Exhibition space measures 3.5m x 3.5m and you can bring your own individual stand equipment; electricity included

1,150 EUR*

950 EUR*

Standard exhibition package

The classic tabletop option, including table, two chairs and space for 2 roll-ups

900 EUR*

800 EUR*

*Prices stated are excluding 19% VAT. Terms and conditions apply. The exhibition fee does not include the delegate attending the stand.

SPONSORSHIP OPPORTUNITIES

Sponsorship is an integral element of the European Bioplastics Conference. We think of sponsorship as a mutually beneficial partnership, and in return for the commitment we provide our supporters with the opportunity to demonstrate their industry leadership and promote their brand in the best possible environment.

As a general rule: we can customize packages to match your requirements and budgets!

If you would like to become an official sponsor and partner of the 12th European Bioplastics Conference, drop us a line – we look forward to exploring a partnership with you.

CONFERENCE FEES

To secure your place simply go to the conference website, click "Registration", and follow the instructions. If you encounter any problems during the booking procedure, please get in touch with us on conference@european-bioplastics.org.

WHAT'S INCLUDED IN THE FEE

- + Access to all conference sessions throughout the two-day event
- + Participation in all social events
- + Visiting the bioplastics product exhibition
- + Meals and refreshment breaks on both days, dinner on day 1
- + Full conference documentation
- + All presentations (subject to speaker approval)

Conference passes	Regular fees (non-members)	EUBP members' fees
Early bird	890 EUR* <i>only until 30 Jun 2017</i>	890 EUR* <i>only until 30 Jun 2017</i>
Standard fee	1,150 EUR* <i>expires 3 Nov 2017</i>	950 EUR* <i>expires 3 Nov 2017</i>
Late fee	1,250 EUR* <i>from 4 Nov 2017</i>	1,250 EUR* <i>from 4 Nov 2017</i>

Prices stated are excluding VAT. Terms and Conditions apply.
To arrange a group discount (4 or more delegates) please contact us.

CONFERENCE VENUE

The conference will take place at the MARITIM proArte Hotel in Berlin, Germany. We want to create the perfect atmosphere for you to enjoy two productive, profitable, and enjoyable days at our conference. With this in mind, we have chosen the exclusive MARITIM proArte as the venue for the 2017 edition of our annual conference.

PREFERENTIAL ROOM RATES FOR DELEGATES

We have reserved a contingent of rooms at the MARITIM proArte. As conference delegate, you can take advantage of an excellent preferential rate of EUR 149 including breakfast, free wifi, and access to the pool area. When booking at the hotel, remember to use promo code **1BIO221116** to activate it!

EUROPEAN BIO-PLASTICS DRIVE THE EVOLUTION OF PLASTICS

European Bioplastics represents the interests of around 70 companies along the complete bioplastics value chain. Our members produce, refine and distribute bioplastics - plastics that are either biobased, compostable or both.

NOT A MEMBER YET? JOIN NOW AND ENJOY THE WELCOME PACKAGE:

1 free delegate pass and complementary table-top space at the 12th European Bioplastics Conference

OUR ACTIVITIES YOUR BENEFITS

1. Policy intelligence and lobbying
2. Standardisation, certification, labelling
3. Market intelligence
4. Communication and marketing
5. Creating business opportunities
6. Events and trade fairs
